To

SIR,

Adverting to Government Proceedings No L 6261-3/M1 96-23-3 dated 8th February 1924 sanctioning the transfer of the management of the Sewage Farm to the Gardens Department, I have the honour to state that the management of the Farm was transferred to the Gardens Department from 1st March 1924

2 For the efficient working of the Farm, the Superintendent, Government Gardens, in his letter No 1866 dated 19th April 1924 (copy enclosed) has forwarded a statement showing details for the sum of Rs 5,000 proposed to be spent during 1924-25 in connection with the working of the Farm, and has requested for an impress of Rs 1,764, to enable him to advance on labour charges incurred by him on each crop, subject to recoupment by the sale proceeds of the crop, the profit after deducting the cost of labour being credited to the Municipality instead of the entire realization The amount of the imprest asked for is reduced to Rs 1,000 in his subsequent letter No 2045 dated 2nd June 1924 The extent of the Farm at present under cultivation is only 10 acres and it is intended to extend the area immediately to 40 acres The temporary labour for which Rs 1,764 is provided is to be utilized partly for the improvement of the Farm and extension of cultivation and partly

4

for the cultivation of crops on plots already under cultivation The Superintendent apprehends that the provision will not be enough and states that if sufficient labour is provided, he could take two or three crops from the cultivated plots and thus increase the income of the Farm For this purpose, he suggests that out of Rs 1,764 provided in the budget, a sum of Rs 1,000 be given to him as imprest, which will be utilized on labour for cultivating the plots under cultivation and recouped in the manner stated above from the sale proceeds of the crops The details as regards establishment also vary to some extent from those contained in his memorandum which formed an enclosure to this Office letter No 51 dated 26th November 1923 addressed to you on this subject,

3 The matter was fully considered by the Council in their meeting held on the 14th July 1924, and they have approved of the details of expenditure as now furnished by the Superintendent of Government Gardens, and agreed to place at his disposal an imprest of Rs 1 000 out of Rs 5,000 allotted, to be utilized on the plots already laid out in the manner suggested by him A copy of the Resolution is herewith forwarded

4 The proposals of the Superintendent of the Government Gardens, referred to above include the appointment of a whole-time Manager for the Farm and the abolition of the post of the Foreman In accordance with these proposals, Mr M R Munisiddappa, Avenue Inspector, has been transferred to take charge of the post of the Manager of the Farm on Rs 80-5-100 and the Foreman of the Farm has been appointed as Avenue Inspector on Rs 30-1-10 against the sanctioned scale of pay of the Avenue Inspector, viz , Rs 52-3-67 -1-10

5 I request that you will be so good as to place the matter before Government for according sanction to the above

5

proposals.

I have the honour to be,

Sir,
